DEVELOPED BY HOSPITALITY EXPERTS

With over a decades experience in the sector, IndiCater’s suite of modules and tools have been designed to drive out tangible client benefits whilst remaining simple to use. We are constantly investing and reinvesting in product development in order to provide innovative solutions to our clients complex operational challenges. Adopting a problem solving approach, both our tailored and off the shelf software platforms offer outstanding online processes which reduce operational risks and improve margins.

IndiCater are pleased to work with hospitality clients across Contract Catering & FM, Leisure and Stadia, Healthcare, Education, Restaurants, and Hotels. We are extremely proud of our reputation for providing clients with fanatical customer support.

WHAT OUR CLIENTS HAVE TO SAY

“The move to IndiCater is showing strategic and commercial benefits with a notable improvement in gross margins”

**Chris Gerard, Chief Executive
Innventure**
